

Council On Child Abuse

A TALBERT HOUSE AFFILIATION

2017-18 Annual Report

Our Mission: The Council on Child Abuse provides educational and public awareness programs to prevent and stop abuse and bullying where children live, learn and play.

Fall 2018

Dear Friends,

This year, COCA celebrated its 40th Anniversary and its continued commitment to the prevention of child abuse and bullying.

Through our affiliation with Talbert House and the collective efforts of our professional staff and volunteer leadership, COCA has had an incredible year. We have provided services to more schools, children, teachers, and parents than any year in our history. We look forward to our continued growth and the opportunity to meet the current and emerging needs in our community.

We came together to raise awareness, protect children and prevent child abuse during National Child Abuse Prevention Month at the agency's inaugural Reach for the Stars event. Cincinnati Bengals defensive end Carlos Dunlap was recognized for his literacy campaign aimed at tackling bullying.

Thank you for taking the time to review this annual report which reflect our efforts from July 2017-June 2018.

Please visit our website at cocachild.org to learn more about COCA and view highlights of our recent accomplishments.
