

Council On Child Abuse

A TALBERT HOUSE AFFILIATION

# 2019-20 Annual Report

**Our Mission:** The Council on Child Abuse provides educational and public awareness programs to prevent and stop abuse and bullying where children live, learn and play.

Fall 2020

Dear Friends,

*This past year has proven to be a challenge for all of us. Yet through it all, the Council on Child Abuse continued to meet our mission by providing programming to prevent and stop abuse and bullying where children live, learn and play. With a supportive, engaged board and a resilient, motivated staff, COCA rose to the challenge.*

*Due to COVID-19, we were unable to host our third annual Reach for the Stars event during National Child Abuse Month. This was a significant fundraising loss for the organization, however we reduced expenses and found assistance through our generous philanthropic community.*

*Our team adapted along with our partner schools to provide classroom materials for students and parents to use at home during the quarantine. As educators began to look toward the future, COCA began planning for virtual and in class presentations based on the needs and interests of individual school districts.*

*We appreciate your support over the past year and hope we will all be together soon at the 2021 Reach for The Stars. Thank you for taking the time to review this annual report which reflects our successes from July 2019-June 2020.*
